

IN Medicaid MU Assistance Program

No-Cost Help for Eligible Providers

Need additional help meeting Meaningful Use standards?

Purdue Healthcare Advisors' [Indiana Medicaid Meaningful Use Assistance Program](#) provides a combination of remote and on-site services to guide eligible providers to successful compliance with:

1. the Medicaid Electronic Health Records (EHR) Incentive Payment Program — Meaningful Use (MU) or
2. the Medicare Advancing Care Information (ACI) Category of the Merit-based Incentive Payment Program (MIPS)

Eligible providers are Indiana-based, ambulatory organizations practicing in:

- small groups/independent practices;
- Federally Qualified Health Centers (FQHCs);
- Community Health Clinics (CHCs);
- Rural Health Clinics (RHCs);
- Community Mental Health Centers (CMHCs); or
- ambulatory practices employed by a Critical Access Hospital

AND

...participating in the Meaningful Use programs under Medicaid or Medicare*.

Medicaid MU Program Year 2017

- The EHR reporting period must be completed within calendar year 2017.
- All returning participants will attest to a 90-day reporting period from January 1, 2017 to December 31, 2017, for MU objectives.
- Clinical Quality Measures (CQMs) must be for full 2017 calendar year.

*Must be actively billing Indiana Medicaid for services.

In October of 2014, PHA and the Indiana Family and Social Services Administration (FSSA) partnered to receive a 90/10 matching grant from the Centers for Medicare and Medicaid Services. The \$2.3M in funding extended MU services to Medicaid-eligible EPs until 2017. In March 2017, PHA and the FSSA were awarded an additional \$3.6M to continue the program for two more years as well as expand the eligibility requirements.
