Successful Hand-offs for Touchdowns in Transitions of Care

This activity is jointly provided by AXIS Medical Education and the Indiana Hospital Association.

Join us for a collaborative meeting for healthcare providers to discuss how we can improve care transitions.

**Goal**

Describe the process of change management for improving care transitions across the healthcare continuum.

**Objectives**

- Identify relevant data from patients' and providers' shared stories and experiences
- Describe improvement opportunities from the Transitional Care Management process
- Identify regional opportunities from case presentations
- Outline strategies to engage community healthcare providers in improving care transitions

**Keynote Speaker**

Jackie Conrad, RN, BS, MBA, RCC  
Jackie is an Improvement Advisor from Cynosure Health, working with the HRET Hospital Improvement and Innovation Network (HIIN). Jackie is a rehabilitation nurse, Leadership Coaching Specialist, registered Corporate Coach and Team STEPPS Master Trainer. She speaks often on clinical harm reduction, integrating change management, quality improvement and leadership topics. She also serves as the HRET HIIN clinical topic lead for falls, pressure injuries, catheter associated urinary infections, and the critical access affinity group. Her experience as a former CNO, Leadership Coach and Rehabilitation Nurse provides great background for her engaging healthcare improvement strategies.
